

2ND ANNUAL IMAGO DEI LEARNING COMMUNITY GOLF OUTING

MONDAY, MAY 20, 2024
8:30 AM SHOTGUN

ABOUT IDLC - Imago Dei Learning Community (IDLC) is a K-12 learning community that provides Christ-centered, learner-driven, and flexible education. We believe every child is uniquely created in the image of God (Imago Dei) with a purpose and calling for their life. Therefore, we approach education with the understanding that not all children, families, and educators thrive within a one-size-fits-all model.

IDLC believes every family should have access to quality education that best fits their needs, values, and budget. **Over 65% of IDLC programming is funded by donations.** It is because of these generous donations, IDLC is able to continue providing programming to current and future learners.
